Position Objective

The EORE Trainer's purpose is to support the EORE officer in the implementation of EORE interpersonal, Victim Assistance, and NTS activities in the Afar region zone 2 DCA target woredas.

Purpose

- Assist the EORE officer and team leader in the planning of EORE tasks when required.
- Provide basic risk education to affected communities and recommend more advanced risk education intervention by the Risk Education team whenever needed.
- Excellent in designing and adopting locally EORE IEC materials based on the IMAS standards
- Deliver EORE ToT to CFPs
- Conduct explosive ordnance risk education activities and sessions as required.

Engagement

- In accordance with the DCA EORE Standard Operating Procedures, the Ethiopian National Technical Standards and Guidelines for EORE, and the EORE activity plan, the EORE Facilitator will perform the EORE & Victim Assistance activities, including targeting and identification of at-risk beneficiaries in the Afar region, zone 2 targeted woredas.
- Implement and maintain appropriate Quality Management systems to ensure quality of EORE delivery.
- Be familiar with and follow all safety SOPs in DCA Ethiopia and communicate any change in the security situation to the EORE Officer and DCA Access and Safety unit.
- Maintain good communication with partner organisations.

Delivery

- Ensure timely delivery of information to beneficiaries, AoR members, and other relevant stakeholders.
- Accountable for ensuring that all complaints raised by beneficiaries are logged into the complaint logbook.

Job Requirement

- Minimum Diploma in social science or tertiary education in any other relevant field will be a recommendation
- At least 3 years of proven experience in EORE implementation.
- Certificate/Accreditation of participation in an EORE (or similar) Training
- Ability to manage sensitive and confidential information.
- Previous experience in conducting interviews and surveys.
- Fluency in English and Amharic
- Excellent planning and organizational skills.

- Excellent communication skills.
- Excellent ability to work in a team.
- Good Knowledge of local communities in the Afar region is an advantage.
- Excellent Computer skills
- Proficient in English language

- Fluency in local Afaref language is mandatory
